Enrolment Continuation Terms and Conditions

I agree to return to study on insert date..... I understand that by continuing with this enrollment I will be liable for tuition fees, resources fees or other fees or charges, as set out in STTT policies, procedures and regulations as applicable to my enrolment.

I acknowledge that it is a condition of enrolment that all semester fees are paid in advance.

I understand it is my responsibility to check my invoice and ensure payment by the due date.

Please note: All relevant fees and charges are listed on your invoice

Failure to pay semester fees and failing to re-enrol at Silver Trowel Trade Training will result in being reported to DIAC.

Please note: In some cases, being 'reported' to DIAC does not mean the automatic cancellation of your student visa. In most cases, a student will have up to 28 days to contact DIAC about their student visa. All questions/enquiries should be referred to DIAC.
